Once you have parked on the 6<sup>th</sup> floor, please stay in your car, and call **615-284-8348**. If you arrive before 5 am, please wait until after 5 am to call. Please be patient, someone will be with you as soon as possible.

Someone from the surgery team will notify you when to proceed to the elevator doors on the 6th floor where you and your visitor will be screened.

If you are negative for signs and symptoms of Covid, someone will take you and your 1 visitor up the M elevator to the 8th floor.
